MERIT[®] SERIES

ML180E

Economical
gas furnaces
featuring
Power SaverSM
technology

Cozy up to energy savings with a more efficient furnace.

You can stay warm and cozy this winter and still enjoy great savings on your utility bills with the Merit® Series ML180E gas furnace. The ML180E achieves energy ratings of 80% AFUE, meaning you can lower your energy bills without lowering your thermostat.

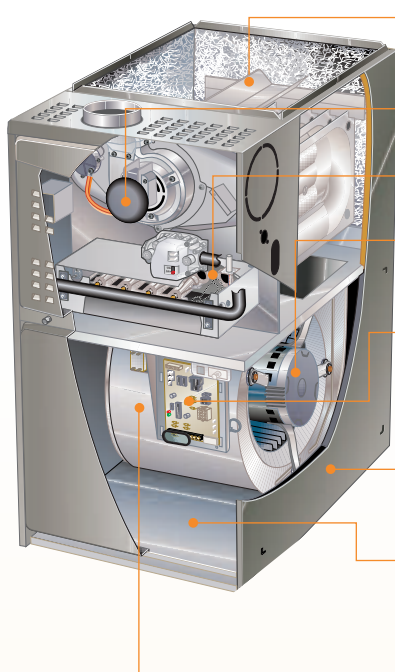

The power to save you money

Engineered with new Lennox Power SaverSM technology, the ML180E's motor delivers up to 33% greater efficiency through quiet and continual rotation. And when applied as part of a complete Lennox® home comfort system, the Power Saver motor can help increase overall cooling efficiency by one or more SEER* points.

As reliable as it is efficient

The ML180E furnace comes with a 20-year limited warranty on the heat exchanger and a 5-year limited warranty on all remaining components.**

Economical gas heating

Duralok™ Heat Exchanger – Made of patented ArmorTuf™ aluminized steel.

Top Vent with Rotatable Inducer – Simplifies horizontal installations.

SureLight® Ignitor – Delivers starting reliability.

Power SaverSM Motor – Increases system efficiency through quiet continual rotation

SureLight Integrated Furnace Control – Controls all furnace operations and provides direct readout diagnostics for quick troubleshooting.

Durable Steel Cabinet – Made to last, with a resilient and attractive textured-paint finish.

Blower Compartment – Minimizes losses and maximizes efficiency and comfort. Less than 1% leakage at 1.0" ESP.

Robust Blower Assembly – Exceeds industry-standard airflow for even temperatures and improved comfort.
